Reminder

It's time to renew your policy! Rest assured, your coverage will not be interrupted and we request that you make your annual payment.

Please note that a late fee of \$25.00 will be charged for any unpaid amount 15 days past the due date. Installment received are applied to oldest charges first on any balance owing. Please also note, if you choose to cancel your policy before its expiry date, a cancellation fee will be charged based on your policy's short rate table.
